

Adult, Child & Infant CPR, AED and Standard First Aid Training

If an emergency occurs, are you prepared to help? You will be after this class with certification through Emergency Care & Safety Institute (meets OSHA CPR requirements).

CURRICULUM

- Learn Basic First Aid Techniques which will prepare you to respond to Injury Emergencies, Sudden Illnesses, and Environmental Emergencies
- Learn about Blood Borne Pathogens and how to protect yourself and others from exposure to infection
- Learn how to properly administer Cardiopulmonary Resuscitation (CPR) to an adult, child or infant
- Learn what an Automated External Defibrillator (AED) is, how it works, and how you can use one to save a life

CLASSES

- We can accommodate classes as few as 5 and as many as 25
- Classes run five hours and Certification is good for two years
- Classes held in our comfortable training site, or in the convenience of your location
- **\$70 per person** (includes all training materials)
